A pet owner should feed a pet and take a pet a walk and always take care of a pet, and sometimes you need to protect them and treat them how they treat you, because if you don't then they won't like you. And you should not hit them Always take care of them and Don't act silly then they will bite you and every time have fun with your dog because then they will lick you so much. And you need to love your pet because when they love you back that mean you'll have fun and sometimes give them water when there thirsty.
